HEALTHCARE

We work with you to understand your business needs and meet your objectives. Our attorneys know the laws and how they interact with industry trends. Our comprehensive healthcare team includes a Florida Bar board certified health law specialist, an attorney with an MD and MBA, and attorneys who focus on health law, real estate, corporate and finance, regulatory compliance, labor and employment, litigation, and tax. We understand the increasing complexities of the industry and deliver full-service counsel to providers, including:

- Physician and dental practices
- Senior living facilities, including independent living, assisted living, memory care, skilled nursing facilities, and continuum care retirement providers
- Healthcare facilities such as rehabilitation centers and surgery centers
- Nurses and other licensed healthcare providers

Areas of focus include:

- ▶ **Healthcare Provider Structuring and Employment**
- ▶ **Transactions**
- ▶ **Healthcare Regulation and Licensing**
- ▶ **Compliance Planning and Implementation**
- ▶ **Administrative Law**
- ▶ **Facility Acquisitions, Construction, and Land Use**
- ▶ **Tax**
- ▶ **Labor and Employment**
- ▶ **Litigation**
- ▶ **Legal Requirements for Day-to-Day Operations**

Examples of matters we've assisted healthcare clients with include:

- Provide ongoing counsel to the Sarasota Memorial Health Care System (a billion-dollar entity employing over 3500 employees)
- Serve as general counsel to one of the nation's largest 340B program providers which provides multistate services to persons with HIV and STD diagnoses
