

WILLIAMS PARKER

HARRISON DIETZ & GETZEN

ATTORNEYS AT LAW
EST. 1925

OVERVIEW

Williams Parker was founded in 1925. Our attorneys and staff include native Floridians as well as “transplants.” Every one of us lives and works here because the quality of life in our region is second to none.

We are hard-working, fair-minded, and community-centered attorneys who are distinctive in our support of and collaboration with one another. Our large base of loyal clients is our most important source of new clients. Our clients are primarily developers, entrepreneurs, governmental entities, and families of means. They appreciate our attentiveness, discretion, and judgment.

We recruit carefully, which means we enjoy low turnover among our employees. An unusually large percentage of our attorneys have advanced degrees in law (LL.M), accounting (master’s or CPA), or business (MBA). Our technical legal skills match our clients’ demands for solutions to a wide range of complex legal challenges here and abroad.

We practice in the legal disciplines that align with our client base. In those disciplines, we have built national-caliber capabilities. To meet our clients’ needs over time, we have expanded our ranks. We choose to practice from a single office to create operating efficiencies for our clients and to permit us to maintain our hallmark collegiality.

Our clients’ legal challenges often involve matters in other states or countries. We regularly work with attorneys in an international network of similarly situated law firms to help our clients secure the legal support they need wherever they need it. This network of corporate and tax attorneys operates globally and provides our clients with a practical way to access global markets and foreign counsel.

Our volunteerism generates long-term prosperity for the area. We are proud to call Sarasota home.
